

March 27, 2019

On Monday March 18th 2019 our daughter Jill Dobias sought medical attention in the emergency room at South Nassau Communities Hospital. She received superb medical care from Dr. Sean Krapf, Nurse Chris Brown and PA Courtney Ciesla. As a two week post- partum emergency C-section patient her special needs were immediately addressed. All testing was done in a timely manner and results were promptly given. In addition all other staff members were equally attentive. Dr. Ritha Alhindawi followed up and assured her that she could safely be discharged.

As staff members at South Nassau Communities Hospital we would like to express our thanks and gratitude to all involved.

Sincerely,
