Outstanding Women's Services Team

Ira N. Bachman, MD, FACOG
Chief, Gynecology

Board certified in Obstetrics and Gynecology, Dr. Bachman obtained his medical degree from the State University of New York at Stony Brook, where he also completed a residency in Obstetrics and Gynecology. He served as Director of Obstetrics and Gynecology at Franklin Hospital Medical Center in Valley Stream, NY. Dr. Bachman is a member of Mount Sinai South Nassau's Performance Improvement Committee, Executive Committee and CME/GME Committee. He is a Fellow of the American College of Obstetrics and Gynecology, a member of the Medical Society of the State of New York and the Nassau County Medical Society.

Ann L. Buhl, MD, FACS, FACOG
Director, Gynecologic Oncology

Dr. Buhl, who is board certified in Obstetrics and Gynecology as well as Gynecologic Oncology, is dedicated to caring for women with cancerous and non-cancerous diseases of the female reproductive system. She is recognized as a skilled surgeon who utilizes minimally invasive approaches to diagnose and treat early-stage, advanced or recurrent gynecologic cancers as well as non-malignant conditions, including advanced expertise on the da Vinci® Surgical System. She obtained her medical degree from New York Medical College and completed residency training in OB/GYN at New York Hospital Cornell Medical Center. She is widely recognized as one of the area's finest gynecologic surgeons and is among a limited number of physicians in the region who are board certified in Gynecologic Oncology. She is a Fellow of the American College of Obstetricians and Gynecologists and the American College of Surgeons.

Samantha Cohen, MD
Gynecologic Oncology

Dr. Samantha Cohen is a board certified gynecologic oncologist at The Mount Sinai Hospital. She is a graduate of the Albert Einstein College of Medicine and completed both her OB/GYN residency and gynecologic oncology fellowship at Mount Sinai. As a gynecologic oncologist, Dr. Cohen specializes in the diagnosis and treatment of gynecologic malignancies, such as uterine, ovarian, and cervical cancer. Dr. Cohen also specializes in minimally invasive surgical techniques, including laparoscopic and robotic surgery, treatment of cervical dysplasia, and management of complex non-malignant gynecological conditions.

Robert M. Dean, MD, FACOG, AAGL
Director, Medical Student Education

Dr. Dean obtained his medical degree from SUNY-Downstate Medical Center in Brooklyn, NY. He completed a residency in Obstetrics and Gynecology at Winthrop-University Hospital in Mineola, NY. He is the Director of Obstetrical and Gynecological Care in the Department of Family Practice at Mount Sinai South Nassau, where he also serves as Coordinator of Medical Student Education. He is a member of the Nassau Obstetrical and Gynecological Society; a diplomate of the American Board of OB/GYN; and is a Fellow of the American Association of Gynecologic Laparoscopists. His areas of interest include outpatient laparoscopy and ambulatory care.

Cheryl Dinglas, DO, FACOG
Director, OB/GYN Research

Dr. Dinglas is board certified in Obstetrics and Gynecology and Maternal Fetal Medicine. She received her medical degree from the NYIT College of Osteopathic Medicine in Old Westbury, New York, completed her residency in Obstetrics and Gynecology at NYU Winthrop Hospital and her fellowship in Maternal Fetal Medicine at Stony Brook University and NYU Winthrop Hospitals in Long Island, New York. She is the Director of OB/GYN Research and the Wellbeing Champion for the residency program. With her strong interest in diabetes, she is working towards developing protocols for the Diabetes and Pregnancy Program at Mount Sinai South Nassau.

Alan D. Garely, MD, FACOG, FACS
Chair, Obstetrics and Gynecology
Director, Urogynecology and Pelvic Reconstructive Surgery

Fellowship-trained in Pelvic Surgery, Dr. Garely provides surgical and nonsurgical treatment of pelvic disorders. He is board certified in Obstetrics and Gynecology and is one of the first surgeons in the U.S. to be board certified in Female Pelvic Medicine and Reconstructive Surgery. Dr. Garely obtained his medical degree from St. George's University School of Medicine. He completed residency and training in Obstetrics and Gynecology at St. Vincent's Hospital and Medical Center in New York City. He completed his Urogynecology and Pelvic Reconstructive Surgery Fellowship at Louisiana State University in New Orleans.

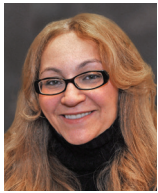

Dr. Garely served as Director of Urogynecology and Pelvic Reconstructive Surgery at The Mount Sinai School of Medicine, where he remains involved with resident and fellow training and is a Professor at The Icahn School of Medicine at Mount Sinai.

Diane M. Garrigan, DO
Breast Imaging
